Term 1 Week 10
‘Proud to be Toppy’

Young Leaders Conference 2015

Message from my desk...........
Our School leaders were given the opportunity once again this year to attend the 2015 Annual Young Leaders Day in Sydney at the Sydney Entertainment Centre with Mrs Low last Monday.

The day proved to be a wonderful experience for our students as they were inspired by key note speakers in a crowd of over 6000 primary school leaders from all over NSW. The main message for the day was “having the courage to positively influence others”. The key note speakers encouraged students to realise their own potential and to know that they can and are able to make a difference.

Key note speakers included, Bindi Irwin, the Hon. Mike Baird and Dylan Parker & James Norton who developed such initiatives as The Paper Pilots, a community partnership and Australia’s first professional paper plane sports team which travels to schools and community events to spread the love for paper planes.

I’d like to take this opportunity to wish everyone a happy and safe Easter break. School resumes Tuesday 21st of April. Thanks for a wonderful start to 2015!

Your child’s education is our core business, please don’t hesitate to contact us at any time!

Everyone is someone at Wyalong Public School!

Toppy Times ARE Great Times!!!!
Meg Staples Principal

Have a great week - Meg Staples!
PSSA Netball Knockout:
Our netball team consisting of Lana Leadbitter, Montanna Humphries, Imogen Turner, Courtney West, Kaelan Ferguson, Molly Apolony, Ally Apolony, Jed Orallo and Sarah Blackwood travelled to Ungarie to participate in the PSSA Netball Knockout. We were beaten by Ungarie, however the Toppy girls played very well considering their netball experience. The girls enjoyed having a sausage sizzle with the Ungarie girls. Thank you very much to Mrs Pettit for umpiring the game and Mrs Cooper for assisting the girls.

Easter Hat Parade:
9.00am – students making hats in class.
10.30am – Parade on the grassed quadrangle.
11.30am – Lunch for students.
Competitions – The Most Colourful Hat
The Most Unusual Hat
The Hat that shows the true Meaning of Easter.

AFL/Netball Gala Day:
Students will meet teachers at the Rec grounds and need to bring plenty of water, their hats and some healthy snacks. There will be a canteen available on the day.
Please find following a list of canteen items available.

Relieving Principal Position:
As everyone is well aware, I am expecting my baby in June this year (No I have not eaten too many Easter eggs, there is a baby in there) and therefore am currently advertising for a suitable replacement to relieve in my position from the end of June this year until July 1st 2016 (Term 3) next year when I will return.
We have such a strong teaching team at our school, so strong that the running of our school does not depend merely on one person; it truly is a team effort. With this in mind the school should continue to run as smoothly and successfully as it has done regardless of who my replacement is! Anyone who really knows me will also know I will be floating around in the background while on leave and can’t wait to show off my new addition to you all come June!
P&C Meeting – due to Good Friday Public Holiday the next P&C Meeting will be the first Friday back next term – Friday 24th April from 5 – 5.30pm.

The 2/3 class, with Miss Whiley, have been learning about ANZAC day traditions. Last week they played some games associated with the day and had fun with counting. Yesterday they were treated to a lesson of making Anzac biscuits. The aroma coming from the Staffroom in the morning had everyone waiting for lunch time to come around. As you can see, all the students enjoyed their cooking time immensely.

Our PSSA Netball Team with the Ungarie Team.
