Term 2 Week 9

Silver Pennant recipients – Amelia Worner, Colby West and Maisyn Davies. Well Done!!

Message from my desk...........
This week Mrs Wheatley and myself have been engaged in training and development to help students get the most out of the new curriculum and to develop 21st Century learning skills.
Along with the L3 training that Mrs Blackwood is doing and the ongoing support Mrs Low provides in her role, we are very excited to be continuing to bring Wyalong Public into the 21st Century.
For this to occur there will be some changes in the coming terms on how we deliver our teaching and learning programs in the classroom and a shift in the way we think about the learning that takes place outside of School.
Life-long learning is about partnerships between student, teacher and parents and we look forward to strengthening these relationships to promote the best possible outcomes for our students.

Your child’s education is our core business, please don’t hesitate to contact us at any time!

Have a Great Week!!!! Jason Hurley - Relieving Principal
