Healthy Harold has arrived!

Over the next 3 days students from K-6 will visit The Life Education Van. This is an important part of our PD/H Program where students receive important messages about keeping themselves safe. We encourage parents to discuss with their children their experience in the van, and ways healthy living can be promoted in the home.

Parents are reminded that all student absences are required to be explained within 7 days. This can be done via email, letter, phone call or in person. If your child is sick or feeling unwell, please keep them at home until they are fully recovered. This is for the wellbeing of staff and students.

This Wednesday afternoon at 2.00pm our Instructional Leader Karen Date will be holding an information session for our Kindergarten, Year 1 and Year 2 parents about what is happening in our Literacy and Numeracy lessons this year and tips on how parents can promote learning at home. Parents of children in these classes are invited to School for this session. It will be held in the School Library and will finish by 3.00pm for normal home time.
