Our students were given wonderful and varied opportunities when they recently visited the Lake Cowal Conservation Centre. As you can see they really enjoyed their time there.

Message from my desk............

We hope that all our parents and families enjoyed a safe and happy Easter Long Weekend.

Including this week there are only two weeks left of term one, the time has gone so quickly. Thank you to all parents and guardians for helping us make this term a successful one for your students.

Due to the public holiday held last Friday, class awards for last week and this week will be given out at this Friday's assembly. We hope you can all make it.

We value your input into your child's education and as such we are considering moving the parent teacher interviews to week two of next term instead of week 10. The meetings will focus on where your child is at and where they are moving too rather than simply being a review of the first semester. It is intended that this will help to form a collaborative approach to your child's learning so that goals can be set and monitored across the term between both student, parent and teacher. The interview process is the only thing that will be brought forward, reports on achievement will still be given out at the end of term. Before making this decision we would welcome your feedback and suggestions, which can be provided in writing and handed into the front office, or by emailing the schools email address wyalong-p.school@det.nsw.edu.au

Have a great week - Jason Hurley - Relieving Principal

**District Swimming Carnival:**
All students who attended the District Carnival were supplied with the school sport shirt. If you still have one of these sports shirts at home please send it to School as soon as possible. The shirts will be needed for Cross Country coming up next term.

**Harmony Day:**
We will be holding our Harmony/Multicultural Day on Friday 8th April. This year along with craft activities we are asking students to come dressed in their family’s heritage. So if your family has a Scottish, Irish, German, Polish, French, Spanish etc heritage then please research what they wore and come dressed as they would have.
If there are any parents, relatives or friends who would like to come and help with, or lead any activities please let the School know, we would love to learn more about your heritage and customs.
