I would like to thank Neil Ferguson for the fantastic work and efforts that he has put into the P&C over the past years as President. Neil has been a member of the P&C for 6 years and has proudly served in the role of president for 4 years. During Neil’s time he led and managed the organisation of many fund raising events and initiatives for our School. I would like to congratulate and wish Krystal Moore all the as Neil’s successor for the next 12 month period. Thank you to all those who attended last night’s meeting, it is good to see the meetings grow in numbers each time.

For those members of our community interested in becoming involved in the P&C, meetings are held the first Tuesday of every month unless otherwise notified in the newsletter. The next meeting will be held in the School Library on Tuesday 5th April.

This week Mr Hurley and Miss Penberthy will be travelling to Sydney to participate in the Inspire and Innovate conference. We hope to bring back many new ideas about the wonderful opportunities that exist for students as 21st Century Learners.

Don’t forget to send students to school with plenty of drinking water and a hat, the weather has been quite hot and is expected it will be for the weeks to come.

We are looking for community volunteers to help us celebrate Harmony Day in the last week of school. If you feel you have a cooking, craft or art idea that could benefit our students and celebrate Wyalong’s diverse cultural community please contact the School with your suggestions.

Have a great week - Jason Hurley - Relieving Principal
